◀ Term 3 Week 4 ▶

Welcome to another exciting Term 3 at Condungup Primary School. It has been wonderful to see students return ready to learn, connect and make the most of the many opportunities ahead. The term has already started on a high note, with our celebration of 100 Days of School. The creativity, effort and enthusiasm that went into the costumes were absolutely amazing, and it was fantastic to see students embracing the occasion with such pride and joy.

As a school, we are also looking ahead to our upcoming Public School Review (PSR). This process provides an opportunity to reflect on our progress, celebrate our achievements and share the work that has been taking place across the school. We are feeling positive about the review and proud of what our students, staff and community have accomplished together.

One of the highlights of the term will be Swim Week, which promises to be a fantastic week full of learning and experiences. Alongside developing the vital skills of swimming and water safety, students will participate in a range of engaging activities, including visits to the Esperance Cannery, the Esperance Museum, where they will take part in a special time capsule activity, the Wildflower Festival, and a variety of hands-on STEM projects.

A big thank you goes to Andrew from Salmon Gums Primary School, who is coordinating Swim Week. Final plans will be discussed with teaching staff during the Mallee Teacher Days in Weeks 5 and 6. Following these meetings, families will receive a comprehensive parent booklet containing all relevant information, including timetables and activity details.

Please also note that the Student Leaders Day, originally scheduled for Week 5, has been postponed and is likely to be held in Week 7. Further information will be provided as soon as it becomes available.

Thank you for your ongoing support of our school. We look forward to an exciting and productive term filled with learning, growth and memorable experiences for all students.

Thank you,  
*Sasha Vooght-Simpson*

★ **Wonderful Maths Work!** ★  
**Isabel** made a special visit to the office to proudly share her fantastic maths work with Mrs Vooght-Simpson. It was wonderful to see Isabel so excited about her learning and keen to show off all her hard work.  
 Great work, Isabel — keep it up!

**Michael, Henry, Gabby & Ariya**, recently visited the office to proudly share some of their fantastic writing with Mrs Vooght-Simpson. It was wonderful to see the effort, creativity and care they put into their work. Well done, Michael, Henry, Gabby and Ariya.

## ★ Week 3 Mini Assembly Awards ★

Congratulations to our wonderful Week 3 Mini Assembly award winners! It was fantastic to recognise these students for their hard work, positive attitudes and great efforts at school.

Well done to all our award recipients — keep up the amazing work! 🎉★

# Student Leader Report

Welcome back to Term 3! The first semester has just flown by, and we have had a great start to the new term. It has already been very busy!

The Year 6 students have already been on an excursion to the Have-A-Go Sports Day on Friday, 31 July. At the event, students had the opportunity to try a range of sports that they may not currently participate in. It was a great day and a fun opportunity to experience something new.

We have also started playing basketball for sport on Mondays at the Community Centre. Everyone has been enjoying learning and practising their basketball skills.

We also celebrated Jeans for Genes Day, where we raised a fantastic amount of money for the Children's Medical Research Institute. Lots of students wore their jeans to show their support and help raise awareness for this important cause.

We are looking forward to another busy and exciting term ahead!
