Term 4 Week 4

From The Principal

Welcome back to what is always one of the busiest and most exciting terms of the year! Term 4 is filled with opportunities for learning, celebration, and creating lasting memories as we work towards our end-of-year events.

Students and staff are already busy preparing for our End of Year Concert and Graduation Ceremony. These occasions provide wonderful opportunities for students to showcase their talents, celebrate their achievements, and reflect on a successful year of learning.

There are also some exciting experiences to look forward to this term. Our Year 3/4 students will be participating in tennis sessions, developing their skills while enjoying the benefits of physical activity and teamwork. Meanwhile, our Year 6 students have their much-anticipated Leavers Excursion to Woody Island, which promises to be a memorable experience as they celebrate the end of their primary school journey.

We are also looking forward to welcoming our 2027 Kindergarten students and their families during the upcoming transition visits. These sessions provide an excellent opportunity for our future students to become familiar with the school environment, meet staff, and begin building positive connections before they start their schooling journey.

For our Year 6 students, we wish you all the very best as you attend your high school transition day(s). We hope these experiences help build confidence and excitement as you prepare for the next stage of your education.

A friendly reminder to families regarding our school uniform. Black clothing is not part of the approved school uniform. We appreciate families' support in ensuring students wear the correct uniform each day, This helps promote a sense of pride and belonging within our school community.

To end, the Public School Review in Term 3 provided an opportunity to showcase the many strengths of our school, and I would like to thank our staff, students, School Council members, and families for their contributions throughout the process. We are incredibly proud of the positive feedback received and the way our school community came together to demonstrate the strong culture of learning, care, and commitment that exists at Condingup Primary School. The success of the review reflects the collective efforts of everyone involved in supporting our students to thrive. As always, thank you for your continued support.

We look forward to another fantastic term of learning, growth, and celebration together.

Sasha Vooght-Simpson

CONDINGUP PRIMARY SCHOOL "Strive for Success"

Student Leader Report

This term has been great so far, and we can't believe it's already Term 4!

In the first week back, some very talented netball players visited our school and taught the Year 3 to 6 students a range of netball skills. We all enjoyed learning new techniques and having a go at the activities.

We also celebrated World Teachers' Day on 30 October and had the chance to show our appreciation for our wonderful teachers and everything they do for us.

We can't believe this is the Year 6 students' last term at Condingup Primary School. We are looking forward to making the most of the rest of the year and creating some great memories together.

We hope you have enjoyed the start of the term as much as we have!

Week 4
Thursday 5th November
DFES Fire drill Talk
Parent session 2:25pm

Week 5
Thursday 12th November
2027 Kindy Parent Information Session
8:45am
EACS Yr 6 Transition Day

Wednesday 16th December
Graduation Concert

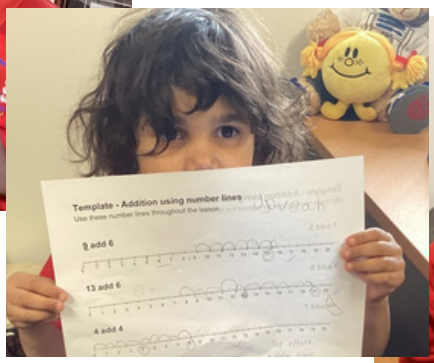

Star Students

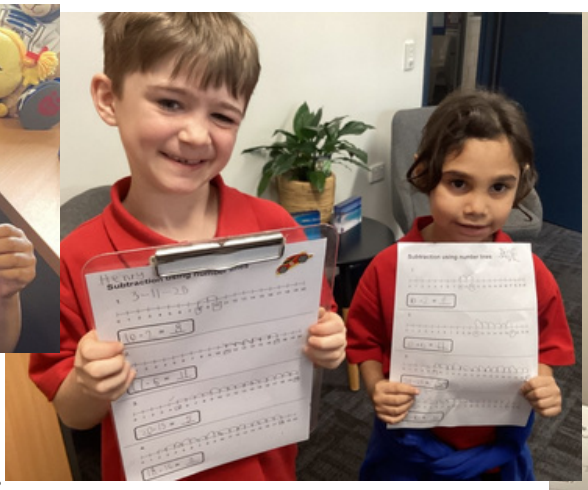

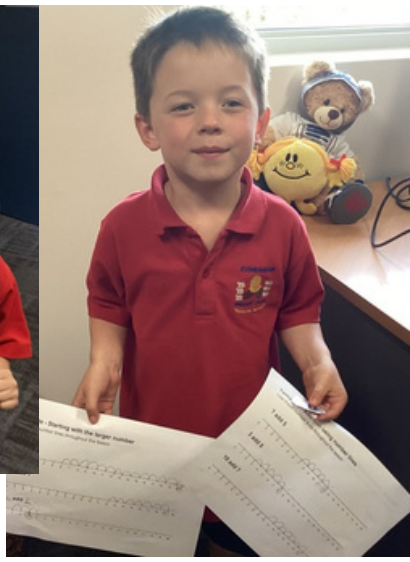

Congratulations to **Lyric, Ted, Georgie, Ruby, Harrison and Tammi-Anna** for sharing their fantastic writing with the office. We were impressed by their creativity, effort, and wonderful ideas. Keep up the amazing work!

Well done to **Jade, Javeah, Harrison W** and **Henry** for showing Mrs V-S their fantastic addition and subtraction work. We are so proud of your amazing effort and maths skills. Keep up the great work!

Award Winners

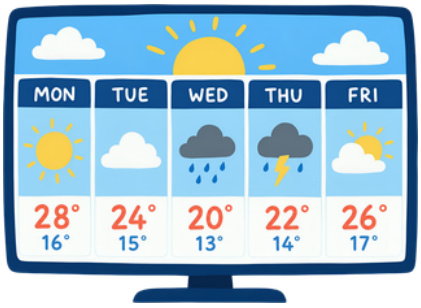

Congratulations to our award winners.

We are proud of the effort, positive attitude, and commitment to learning you demonstrate each day.

Schools Weather Wall

Our Year 5/6 students have been enthusiastically participating in the 7NEWS Regional WA Schools' Weather Wall program, delivered by Scitech.
Through this hands-on learning experience, students are developing their scientific observation skills by collecting and recording a range of weather data each day.

Using a compass, students measure wind direction, monitor UV radiation levels, record minimum and maximum temperatures with a digital thermometer, and measure rainfall using rain gauges.

These activities help students gain a deeper understanding of weather patterns and how meteorologists gather information to create forecasts.

As part of the program, students have also created a video showcasing their learning and participation, which may be featured on 7NEWS during Week 6.

We are incredibly proud of the teamwork, enthusiasm and scientific skills our students have demonstrated throughout this exciting opportunity.

PLC Netball Clinic

Attendance - Compass

It is important that your child is at school every day unless they are unwell or have an appointment that cannot be made after school or during the holidays.

We understand that geographically it is much harder for us all as we are so far away from town/Perth. If unsure about an absence please ask.

Missing school adds up:
· if a child misses an average of five days a term (years 1 to 10), they miss out on approximately one year of school
· if a child misses one day a week of school (from years 1 to 10), they will miss almost two years of school
· if a child misses 1.5 days a week of school (from years 1 to 10), they will miss almost three years of school
· if a child misses two days a week of school (from years 1 to 10), they will miss almost four years of school
· if a child misses three days a week of school (from years 1 to 10), they will miss almost six years of school
· if a child misses five weeks a term (years 1 to 10), they will miss almost five years of school.

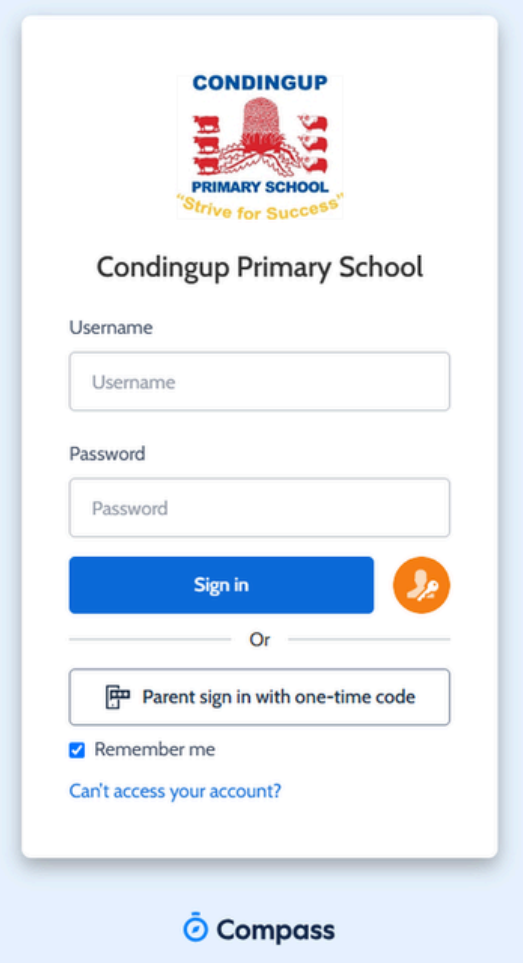

Did you know?

You can report your child's absence directly through Compass. Whether they're unwell or attending an appointment, simply submit the absence via the Compass app or portal to help us keep attendance records up to date.

You can access Compass via this link or downlaoding the App through GooglePlay or the App Store

Entering an Attendance Note

1. From the Compass home screen (or from your student's profile), click the Add Attendance Note item.
2. From the pop-up window
   - Select the reason
   - Enter a brief description of the absence
   - Select the start and finish time
   - Click the 'Save' button

You can request your unique family username and password from the front office.

Condingup Primary P&C Association

The Condingup Primary School P&C held its Annual General Meeting on 22 October 2026. We would like to thank all members who attended and continue to support our school community through their time, ideas and efforts.

We are pleased to announce the 2026/2027 P&C Executive Team:

- **President:** John Bertola
- **Vice President:** Andrea Simpson
- **Secretary:** Chantal Watkins
- **Treasurer:** Kayla McDonald
- **Grants & Sponsorship:** Sally Taylor & Kayla McDonald
- **Executive Members:** Chelsea Milne & Elisha Willing
- **Uniform Coordinator:** Latesha Relf
- **Canteen Coordinator:** Position Vacant

We extend our congratulations to the newly elected team and thank them for volunteering to support our students, staff and school community. The P&C plays an important role in helping to provide additional resources, opportunities and improvements that benefit all students at Condingup Primary School.

The Canteen Coordinator position remains vacant. If you are interested in helping with this important role or would like to find out more about what is involved, please reach out to any member of the P&C team. Your support would be greatly appreciated.

The P&C is always keen to welcome new members and volunteers. Whether you can contribute regularly or just lend a hand at events throughout the year, your support helps make a positive difference for our students and school community.

CONDINGUP P&C GENERAL MEETING
DATE: 8 February 2027
TIME: 8.45 for 9am start
VENUE: Condingup Primary School Library

Thank you to everyone who continues to support the Condingup Primary School P&C, and we look forward to another successful year ahead.

SCHOOL DENTAL SERVICE, IT'S TIME TO ENROL!

Every year Dental Health Services (DHS) offers parents and carers the chance to register their kids for free dental care at the School Dental Service (SDS). The Offer is open to every student from pre-primary until the end Of year 11 and includes check-ups, fillings, and simple extractions.

Your child will soon bring home an envelope with an enrolment form, Frequently Asked Questions, and reply-paid envelope from DHS. Just fill in the enrolment form, pop it in the reply-paid envelope, and put it in your nearest post box.

Once we receive your form at DHS our team will register your child and arrange for you to receive an appointment in the mail.

If you would like further information on DHS services and the SDS please visit our website: www.dental.wa.gov.au or scan the QR code.
