Principal's Letter

We have officially hit the half way point of the term and the time is flying past us. Over the past couple of weeks, I have been supporting the teachers in the classroom on a range of different activities and tasks. As I don't have a teaching load this term I have been committing time into the classrooms to offer assistance and interact with the students. During my time in the classroom I have been impressed by the level of commitment each of the students have to their learning and the quality of the learning programs that are taking place. All of our students have been highly engaged in all learning activities and there is an excitement to learn something new. I look forward to seeing where the rest of this term takes us.

School Disco and Vision Afternoon

A huge thank you to everyone who attended the school disco and vision afternoon. It was a great afternoon and fantastic to see so many of our mums and dads present. The discussions around the school vision have us back on track and there are some amazing ideas formulating for our prototype trials. Our next Vision workshop will be held in Week 9, directly after the whole school assembly. The assembly will commence straight after lunch with the vision meeting following on until 3:00pm. At this meeting we will focus on developing the prototype ideas for trial with the hope of establishing some of them in Term 4.

Esperance Senior High School Enrolments

High School Enrolments are now overdue. If you are yet to submit your high school enrolment for children heading to year 7 next year, please do so as soon as you can. Esperance Senior High School will be following up with unenrolled students throughout the rest of term.

Healthy Lunches

It has recently been brought to our attention that a number of students are bringing lunch boxes full of unhealthy items to school. It is okay to pack your child a treat, but please ensure they have a nutritious lunch for the day that will provide the energy they need to get through a busy school day. All classes participate in crunch and sip and all students are encouraged to bring along a piece of fruit to enjoy during this time each day.

Afternoon Pick-Up routine

When picking your child up in the afternoon we ask that you please meet them at the school gate to ensure their safety when transitioning between the school yard and your car. If you are walking or riding a bike with your child it is important that you please wait until all of the buses have left. Students who walk or ride home independently will be instructed to wait until the last bus has left before being allowed to leave the school gate area. The purpose of this is to ensure the safety of not only the children walking home, but the families travelling in cars and the school buses.

Family Day

On Friday the 4th September we will be hosting a family and community day at the school. All parents, grandparents and community members are welcomed along to join us for the day. There will be lots of fun learning experiences organised around the theme of Road Safety. SDERA will be joining us on the day in support of educating our students and community about road safety. There will be an opportunity for students to bring their bikes to school and complete an obstacle course and so much more. Information about the day will be sent out to families soon. Watch this space!

Perth Camp

Preparations have been taking place to get things prepared for our year 5 and 6 students to head up to Perth Camp. Information booklets have been sent out and permission slips returned. Final costing information will be sent out very soon along with any other final messages. There are some fantastic activities organised for the camp and I am sure it will be exciting for everyone attending.

Stay warm over the next couple of weeks as winter settles in. Remember to keep up to date with school correspondence by checking your child's bag and diary, the Skoolbag app, emails and the web page.

Kind regards,
Krystal Wiggins
Principal

School Information

Councillors Report

These last 2 weeks at school have been fun and exciting. Last Tuesday we had the jeans for genes day and we raised \$138 for the sick people. The disco was really fun and we hope the parents had fun at the school visioning meeting too. We have been having lots of more wet days so there has been some four square and skipping going on in the undercover area. Everyone at school that are playing basketball are super excited about the basketball season starting up tomorrow at the community centre. We hope to see lots of you there.

Friday, 25th September – Last of day Term 3

The Condy - Celebration of Success

The following students have achieved award recognition from their teachers:

★ Alesi Ridgway

★ Riley South

Aussie of the Month

Congratulations to **Aiden Finch** for being awarded the Aussie of the Month! Aiden received this award for always working with the younger children during recess. You are always a good sport!

An advertisement for Kindergarten enrolment. It features a yellow background with a white circle containing text. The text reads: 'Apply now to enrol your child in Kindergarten. If your child is four years old by 30 June 2021 you can apply to enrol them in Kindergarten for 2021. Contact your public school or community kindergarten by 24 July 2020 to apply. At the time of enrolment your child will need to have an 'up to date' AIR immunisation history statement. Every day of a child's education matters.' There is a photo of a smiling child in a green shirt and a hat. At the bottom, it says 'To find a public school in your area visit education.wa.edu.au/schoolsonline'. The Department of Education logo is in the top left corner.

🚗🚗🚗 AFGRI Trade-a-Toy Day 🚗🚗🚗

Condingup Primary P & C Association has been lucky enough to be one of the beneficiaries of AFGRI Esperance trade a toy day!

So let's get on board and support them by gathering up some of those old toy tractors and take them on in to trade for a new shiny one!

Last year's one was a real hit so spread the word!

TRADE-A-TOY DAY

Saturday, 5th September 9am - 12pm

Trade-A-Toy is back and this year's is even bigger and better! Bring your old toy in, no matter the condition or colour and get a great deal trading it on a new John Deere toy.

Our sales team will appraise your trade-in, offer our deal and you'll be able to negotiate a price before agreeing on your purchase.

ANY AG MACHINERY TOY - BIG OR SMALL

AFGRI FUN ZONE IS BACK

INCLUDING BOUNCY CASTLE, FACE PAINTING, GATOR RACE TRACK & LOADS OF ACTIVITIES FOR THE KIDS

SUPPORTING LOCAL P&Cs

Sausage sizzle, coffee and assorted refreshments available for gold coin donation with all proceeds going to Condingup, Scaddan, Salmon Gums, Cascades, Munglinup and Jerdoutrup Primary School P&Cs!

#TRADEATOY

Condingup Basketball Association

The Condingup Basketball canteen will be up and running again for the 2020 season. All the regular food you've come to enjoy will be available with a weekly special. All orders can be placed on the Condingup Basketball Facebook page.

Thank you to all our wonderful volunteers that assist in the canteen this week.

Canteen closes at 8pm.

Canteen roster for Friday 21st August

6 to 7pm Krystal Finch & Rebecca Bingham

7 to 8pm Andrea Simpson & Jill Maitland

Vacswim

Fun swimming lessons for children aged five to 17 years of age in both the October and January school holidays.

Enrolments for VacSwim in October and January are now open!

Take the plunge! Find a program near you and enrol now.

www.education.wa.edu.au/programs-and-locations

VacSwim has helped children across Western Australia to stay safe and confident in the water for over 100 years. We offer:

- vital swimming and water safety skills
- lessons for beginner, intermediate and advanced swimmers
- a variety of programs ranging from five to ten days
- opportunities to progress through stages 1-16 and obtain Bronze Medallion
- lessons at over 180 pool and beach locations throughout Western Australia
- friendly, qualified swimming staff.

Programs will operate in line with current health advice. Physical distancing and good hygiene practices will be in place.
